We will not tolerate discrimination on grounds of gender, age, race, religion or belief, marriage or civil partnership, disability, sexual orientation, gender reassignment, pregnancy or maternity, ethnic or national origin. We understand that lack of attention to these factors can affect the well-being of children and may impact on their learning and attainment.

### PRINCIPLES AND AIMS

### INCLUSION AND DIVERSITY

The guiding principle is that every child matters and to that end we need to recognise the social, economic, cultural diversity of our society. We ensure that no-one feels excluded when they attend the nursery on whatever grounds. Consequently, we must strive to:

- Treat each child as an individual and respect their religions and cultures.
- Encourage positive role models, displayed through toys, imaginary play, books and posters that promote non- stereotyped images. All children will be encouraged to join in all activities i.e. dressing up, role play corner, dolls, climbing on large equipment, bikes etc.
- Celebrate festivals throughout the nursery, including the events that are relevant to the children attending the nursery.
- Welcome any parent/carer who would like to be involved with widening our education about their cultural or religious beliefs.
- ensuring that children learning English as an additional language have full access to the curriculum and are supported in their learning
- Actively promote an open door policy within the nursery.

- Offer all activities and toys to all children regardless of gender and developmental needs.
- Update toys and other resources.
- Support the staff team within the nursery, offering hand-outs and training.
- Work alongside agencies when resources and relevant information is required.
